## PROFESSIONAL SUMMARY

Architect with experience in **architectural design, interior design, and technical documentation** for residential, commercial, and institutional projects. Advanced proficiency in **AutoCAD, Revit, and SketchUp**, with experience producing architectural drawings, construction details, 3D models, coordinating multidisciplinary documentation, and supporting projects during construction.

## PROFESSIONAL EXPERIENCE

### Architectural Assistant | Buró Arquitectura

Apr 2025 – May 2026 · Bogotá, Colombia

- Developed **architectural drawings, construction details, and interior and exterior design proposals** for residential and commercial projects.
- Contributed to **Centro Orange Hill (5,233 m²)** and **Casino The Lounge (420 m²)**, working on spatial planning, materials, lighting, and design solutions.
- Supported construction activities through site follow-up and technical assistance during project execution.

### Architectural Drafter | Colombian National Army

Feb 2026 – May 2026 · Bogotá, Colombia

- Produced and updated **technical drawings and AutoCAD documentation** for architectural, structural, electrical, and plumbing systems.

- Developed floor plans, elevations, sections, construction details, foundation drawings, and technical documentation.
- Coordinated documentation across **architectural, structural, electrical, and plumbing disciplines**.

## Design & Furniture Consultant | Madecentro

Jun 2024 – Dec 2024 · Bogotá, Colombia

- Designed **interior spaces and custom furniture** for residential and commercial clients.
- Produced technical drawings for fabrication, advised clients on materials and design solutions, and followed projects through the ordering process.
